Stanwell House Blend – *Perfect for the Afternoon*

A blend of orange pekoe Assam and Darjeeling teas that we have created for the perfect afternoon beverage. Blended by hand in Lymington, at Gilded Teapot. Delicious with or without milk.

Dorset Brew – *Traditional Breakfast Tea*

A rich and gutsy blend of Assam, Ceylon and Sumatran teas – ideal for those who love a good strong brew with a slug of milk. Excellent for any time of day... a tea for true Dorsetoneons.

Earl Grey Supreme

Like an Earl Grey tea, this is a high-grade Ceylon tea, gently scented with natural bergamot oil and finished with a flourish of cornflowers. Possessing a full deep flavour with a burst of bergamot and beautifully floral aftertaste, this potent tea is strong enough to be taken with milk.

Mao Feng – *Green Tea*

A quality organic green from the Zhejiang province of China. Harvested in April at an altitude of 600m near the Mountain of the Nine Dragons, this is highly aromatic, tender and soft in taste. A wonderfully refreshing infusion with soft, lingering notes of sweet chestnut

Peppermint

Bright, vibrant and full of life. As crisp and sweet as cucumber sandwiches, this menthol-steeped infusion has a deep, cooling, and invigorating character. Simply delicious.

Dorset Fruit Punch

A smooth full-bodied blend of red fruits and berries created for our county and full of flavour. Rich, warming and deliciously fruity. A base of hibiscus and rosehip with apple, blackberry leaves, elderberry, blackberry, strawberry, blackcurrants and naturally sweetened raspberry.

Rooibos (Redbush)

A sweet, nutty infusion made from dried and fermented pieces of the Aspalathus Linearis shrub in the cape province of South Africa. With a beautiful deep red liquor and honey finish, this herbal brew is both warming and invigorating.

Chamomile

An idyllic calming infusion of whole Chamomile flowers, perfect when in need of a relaxing respite. Soft and light with a hint of honey sweetness, this restorative brew is just what you need.
